Attention: Ryan Rantucci

Regarding: Contractor Reference

Fillmore Construction and Thermo Design Insulation have been partners on countless projects for over two decades. Thermo Design is well equipped to provide solutions for any scale of project with knowledgeable and able office and field crews. They offer services in most regions across Canada which is especially helpful in remote regions.

Thermo Design Insulation regularly provides well thought out and cost effective solutions for complicated refrigeration and building envelop projects. Together we have completed food plants, retail buildings, office buildings, warehouses, and industrial buildings across the prairies and territories.

We look forward to working with Thermo Design Insulation in the future and are pleased to recommend them to other clients in need of refrigeration and building envelop solutions. Please call or email me with any questions or concerns you may have.
